Dear Sir,

On behalf of Lynx Mine Management, Employees and the Lynx mine Community, I would like to thank you very much for renovating and Rehabilitating Lynx mine Clinic.

The Clinic was in a deplorable state but through your funding it's now in an excellent state.

Our perennial water problems are over due to the 2500L container installed at the clinic. We now have water 24 hours a day.

Special thanks to Mr W. Matthes for identifying the clinic as a needy area.

Once again thank you very much. Please keep helping us.

Thank You

DANIEL MATEKENYA (Nurse in Charge)
